Good morning,

You are kindly asked to refer to the ESA Portal FAQ site www.esa.int/esaCP/SEMGMZUZJND_index_0.html, the Program-related dedicated websites www.esa.int (see left-hand menu) or to redirect your email to a specific service as follows:

Education [education @ esa.int](mailto:education@esa.int)

Conferences [esa.conference.bureau @ esa.int](mailto:esa.conference.bureau@esa.int)

Publications [esapub @ esa.int](mailto:esapub@esa.int)

Media [media @ esa.int](mailto:media@esa.int)

Additionally:

To **unsubscribe** to ESA portal news items simply click the unsubscribe button located at the bottom of the email or go to the "subscribe" link located on the ESA home page

For **portal (online content) terms of use** follow this link www.esa.int/esaCP/SEMNXVZKQAD_index_0.html

For **multimedia terms of use** follow this link www.esa.int/esa-mm/mmgdownload.pl

For **publications terms of use** send an email to [esapub @ esa.int](mailto:esapub@esa.int)

Thank you for visiting ESA.

Kind regards,

Rosa

Subject Astronomical Test Proposal

Query Type: technical

Subject: Astronomical Test Proposal

Message: I'm proposing to perform an astronomical test in order to probe in a direct way the second postulate of the Special Theory of Relativity.

The basis of this test are published in APEIRON in April 2005

<www.redshift.vif.com>

under the title An Astronomical Test for the Second Postulate of Special Theory of Relativity

Sender: Juan J. Schulz Poquet

Occupation: Industrial Engineer

Country: Argentina

Sender's E-mail Address: jjschulzpoquet@gmail.com

IP Address: 200.41.120.153

Dear Rosa,

Thankyou very much for your rapid answer.

Conveniently I'll follow your indications with a more detailed explanation of my proposal.

Kind regards,

Juan J. Schulz Poquet
